WRITING

Hello! I want recommend a very good shooter "Battlefield 3". It's a beautiful action in shooter style, where you can be a really soldier! In game beautiful graphics, very cool gameplay, and hardcore levels. But game has bugs and not very culture lecsies. If you want to play this game, yours age must will sixteen or eighteen plus, because ~~it~~ game has ~~to~~ much blood (not for children). Why a recommend this game? It's a famous and great <sup>game</sup> serie. This serie has: "Battlefield 1", 2, 3, 4, 5, "Battlefield 1942" and 1943. Finally. Serie games of "Battlefield" famous and good, but it has disadvantages, and not for children. I think, that game very good and great. Thanks for your time.
